BlackRock in Australia

For over 30 years, BlackRock has invested and managed the savings of Australians to help them achieve long-term financial goals.¹

BlackRock manages money on behalf of its clients, who rely on BlackRock to act in their best interests.

The majority of the money we manage is retirement savings – whether sovereign, corporate, or non-profit – so it belongs to everyday Australians, helping them build savings that will serve them throughout their lives.

BlackRock**WHO WE ARE**

We are more than just investors

We're innovators – always searching for more ways to put investing within reach of more people.

We're fiduciaries – putting the investing needs and goals of our clients ahead of our own.

\$**13.9**

**trillion (USD) assets under

**WHAT WE DO**

We help people achieve their financial goals

As asset managers and fiduciaries, we help our clients provide for their retirement, finance their children's education, buy a home or run a business.

From the beginning until today, our founders have worked tirelessly to contribute to an equitable resilient economy.

ISHARES ETFs

More than just an ETF provider

iShares has been a leader in the Australian ETF marketplace for more than a decade, with over 50 ETFs listed locally. As a part of BlackRock, iShares ETFs are engineered by investment professionals with discipline and deep risk management expertise.

IMPORTANT INFORMATION

Issued by BlackRock Investment Management (Australia) Limited ABN 13 006 165 975, AFSL 230 523 (BIMAL).

BlackRock

you and obtain financial advice tailored to you having regard to your individual objectives, financial situation, needs and circumstances. Refer to BIMAL's Financial Services Guide on its website for more information. This material is not a financial product recommendation or an offer or solicitation with respect to the purchase or sale of any financial product in any jurisdiction.

Information provided is for illustrative and informational purposes and is subject to change. It has not been approved by any regulator.

This material is not intended for distribution to, or use by, any person or entity in any jurisdiction or country where such distribution or use would be contrary to local law or regulation. BIMAL is a part of the global BlackRock Group which comprises of financial product issuers and investment managers around the world. BIMAL is the issuer of financial products and acts as an investment manager in Australia.

BIMAL is the responsible entity and issuer of units in the Australian domiciled managed investment schemes referred to in this material, including the Australian domiciled iShares ETFs. Any potential investor should consider the latest product disclosure statement (PDS) before deciding whether to acquire, or continue to hold, an investment in any BlackRock fund. BlackRock has also issued a target market determination (TMD) that describes the class of consumers that comprises the target market for each BlackRock fund and matters relevant to their distribution and review. The PDS and the TMD can be obtained by contacting the BIMAL Client Services Centre on 1300 366 100. In some instances the PDS and the TMD are also available on the BIMAL website at www.blackrock.com/au. An iShares ETF is not sponsored, endorsed, issued, sold or promoted by the provider of the index which a particular iShares ETF seeks to track. No index provider makes any representation regarding the advisability of investing in the iShares ETFs. Further information on the index providers can be found in the BIMAL website terms and conditions at www.blackrock.com/au.

BlackRock model portfolios themselves are not funds issued by BIMAL. They are offered through third party platform providers which are not affiliated with BIMAL. Any potential investor should consider the latest PDS issued by the third party platform provider before deciding whether to acquire, or continue to hold, an investment. BlackRock model portfolios included in these materials are provided for illustrative and educational purposes only. They do not constitute research, and they are not personal advice from BIMAL. BIMAL is not responsible for determining the appropriateness or suitability of any BlackRock model portfolios, or any of the securities included therein. BlackRock model portfolios include investments in units of funds. Investors will indirectly bear fund expenses in respect of portfolio assets allocated to funds. Information concerning BlackRock model portfolios – including holdings, performance and other characteristics – may vary materially from any portfolios or accounts derived from BlackRock model portfolios included in these materials. There is no guarantee that any investment strategy or model portfolio will be successful or achieve any particular level of results.

BIMAL, its officers, employees and agents believe that the information in this material and the sources on which it is based (which may be sourced from third parties) are correct as at the date of publication. While every care has been taken in the preparation of this material, no warranty of accuracy or reliability is given and no responsibility for the information is accepted by BIMAL, its officers, employees or agents. Except where contrary to law, BIMAL excludes all liability for this information.

Any investment is subject to investment risk, including delays on the payment of withdrawal proceeds and the loss of income or the principal invested. While any forecasts, estimates and opinions in this material are made on a reasonable basis, actual future results and operations may differ materially from the forecasts, estimates and opinions set out in this material. No guarantee as to the repayment of capital or the performance of any product or rate of return referred to in this material is made by BIMAL or any entity in the BlackRock group of companies.

This material may contain links to third party websites. BlackRock does not control and is not responsible for the information contained within these websites. None of these links imply BlackRock's support, endorsement or recommendation of any other company, product or service.
